Here we are almost ready to graduate. How do you feel, sad? I don't really know what to say because we have been such good friends for almost 5 years now. True? Yes, thats right. Anyway, it has been a whole lot of fun doing things and going places together. I'm sure that after we graduate we will still be real good friends and I know we will be. When you get married, come & see me (Darling) & bring your kids.) Be real good now & I'll see you this summer.

"The Big Show"

Once a year the Circus comes to town—and oh, what a grand spectacle it is! The gaudy, glamorous "big show" seems to cast its spell over all of us, young and old alike, and the excitement is renewed each year with the advent of the colorful billboards which herald the coming of the ever-greater "greatest show on earth!"

"High school," say you homework-burdened scholars, "is no picnic—much less a circus!" Ah, but that's where you're (if you'll pardon the expression) all wrong! Some of the most colorful characters in your career are parading past you every minute: cavorting clowns, dapper ringmasters, plodding elephants—and monkeys galore! Want proof? Come along, then . . .

The Big "Tops"

Principal Wood, with the aid of his able colleagues, has been Director "par excellence," and has succeeded in guiding Fremont to give the type of enviable performance that makes it a leader among the popular Los Angeles High Schools.

Masters

One hundred ten strong, the Fremont Faculty, segregated into ten outstanding departments, is considered one of the most genial and well-organized groups in the Los Angeles School System. The 2600 students will testify to the accuracy of this judgment, and they'll tell you that their classroom teachers are the best Ringmasters ever—no whips needed, either!

The handful of students who pull together in the production of your yearbook are not loudly ballyhooed, as are some of the other star performers in the Big Show. They are the busy, behind-the-scenes people who try to do a big job well, and in a way that will result in the kind of annual that will make you even GLADDER that you're a Fremontian!

O.S.S.C. (Organized Social and Service Clubs) derives its membership from the officers of the schools' clubs; this is one of the most respected and active campus organizations, and its activities include clean campus supervision.

Uneasy lies the head of the person who takes on the task of being Student Judge, for it is no easy job. Besides being capable of fulfilling their many duties, the Judges must also learn to be extremely diplomatic. For some people, acquiring this diplomacy would be an unattainable goal, but the two Judges seem always to be able to cope capably with the office's problems.

You may be sure that when the graduating four-year members receive their coveted gold-sealed diplomas they have more than earned the distinction.

Long one of the largest and most popular campus organizations, Christian Fellowship has also become one of the most active. Its many programs and its carefully planned meetings are a welcome relief from the classroom routine, and they furnish an indispensable "lift" to life at Fremont.

These groups are utterly indispensable to the smooth running of the "Big Show" at Fremont. Unprepossessing, they are nonetheless vital cogs in the wheel of activity which is constantly turning at such a large plant as ours. We owe them many thanks.

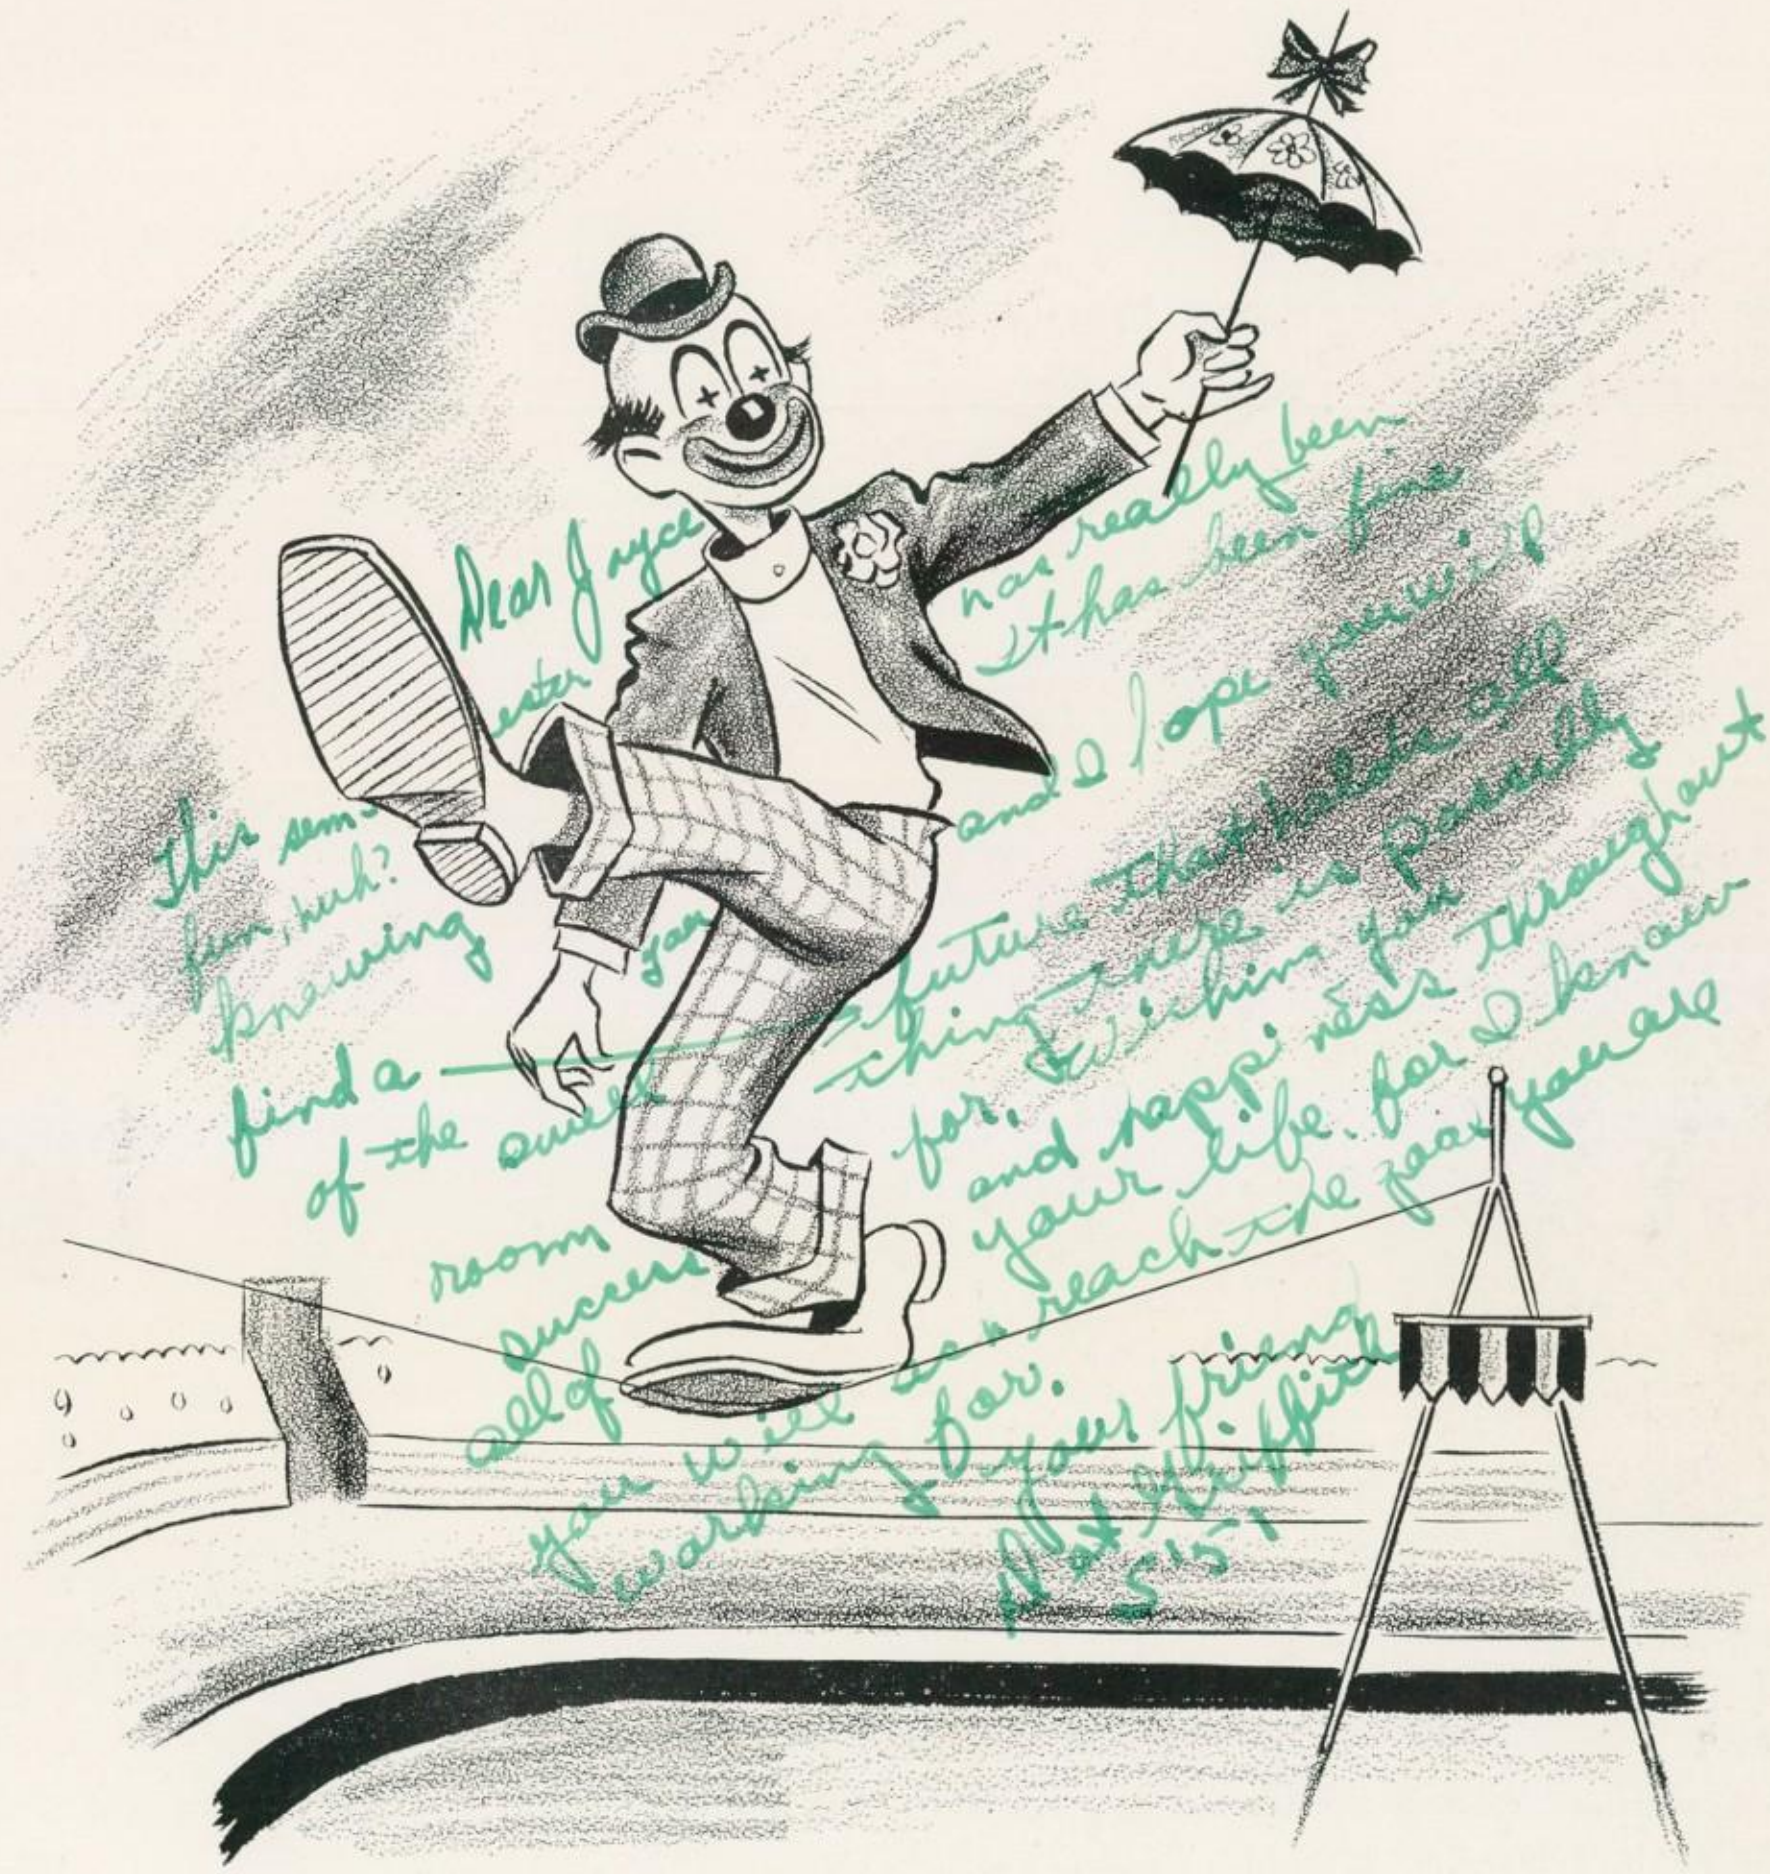
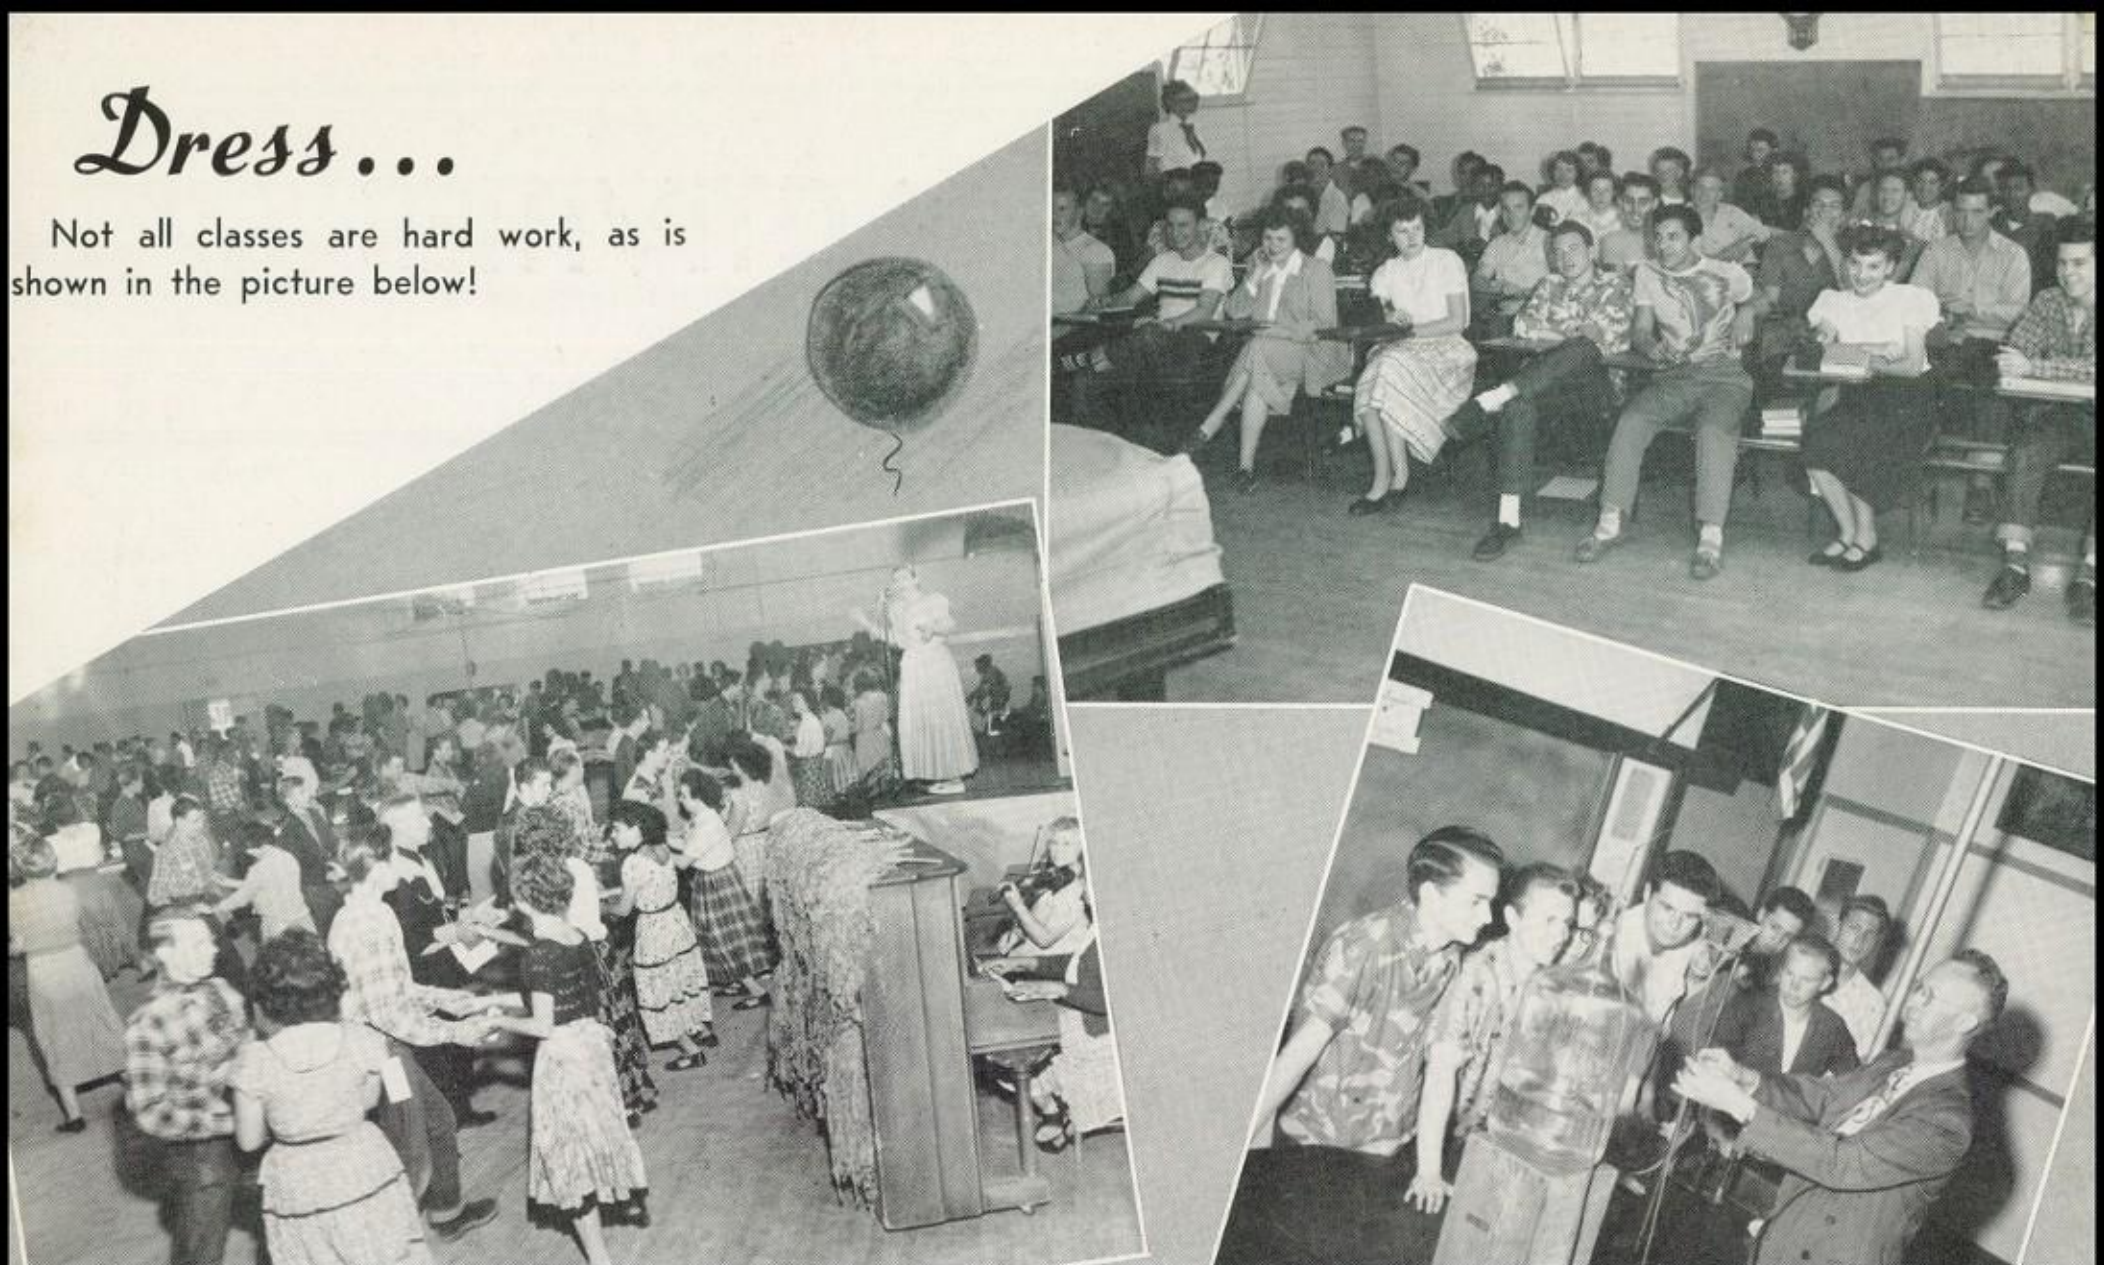
RING TWO: ACTIVITIES

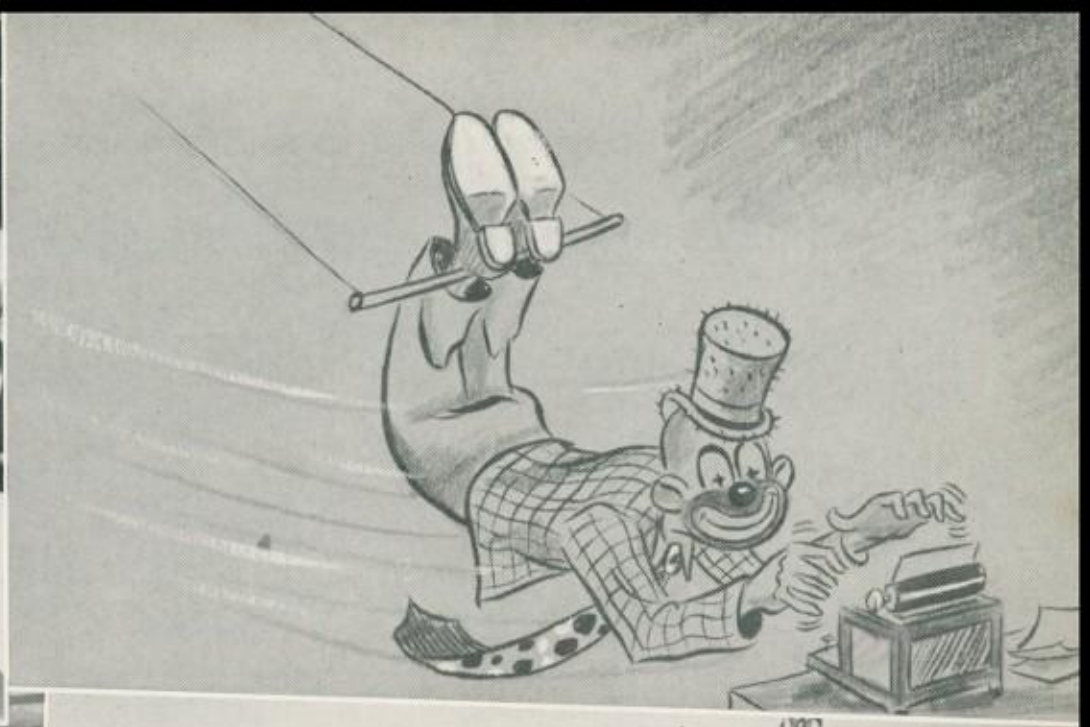


Dress . . .

Not all classes are hard work, as is shown in the picture below!



First we have Mrs. Percival's Music Appreciation class, all smiles . . . next we find Miss Mitchill's Wagon Reelers all decked out in their gay square dance attire . . . what's Mr. Betts trying to prove? . . . Miss Isreal and her potent pottery class . . . You, too, can learn the intracacies of higher mathematics with Mrs. Wallace as your teacher.

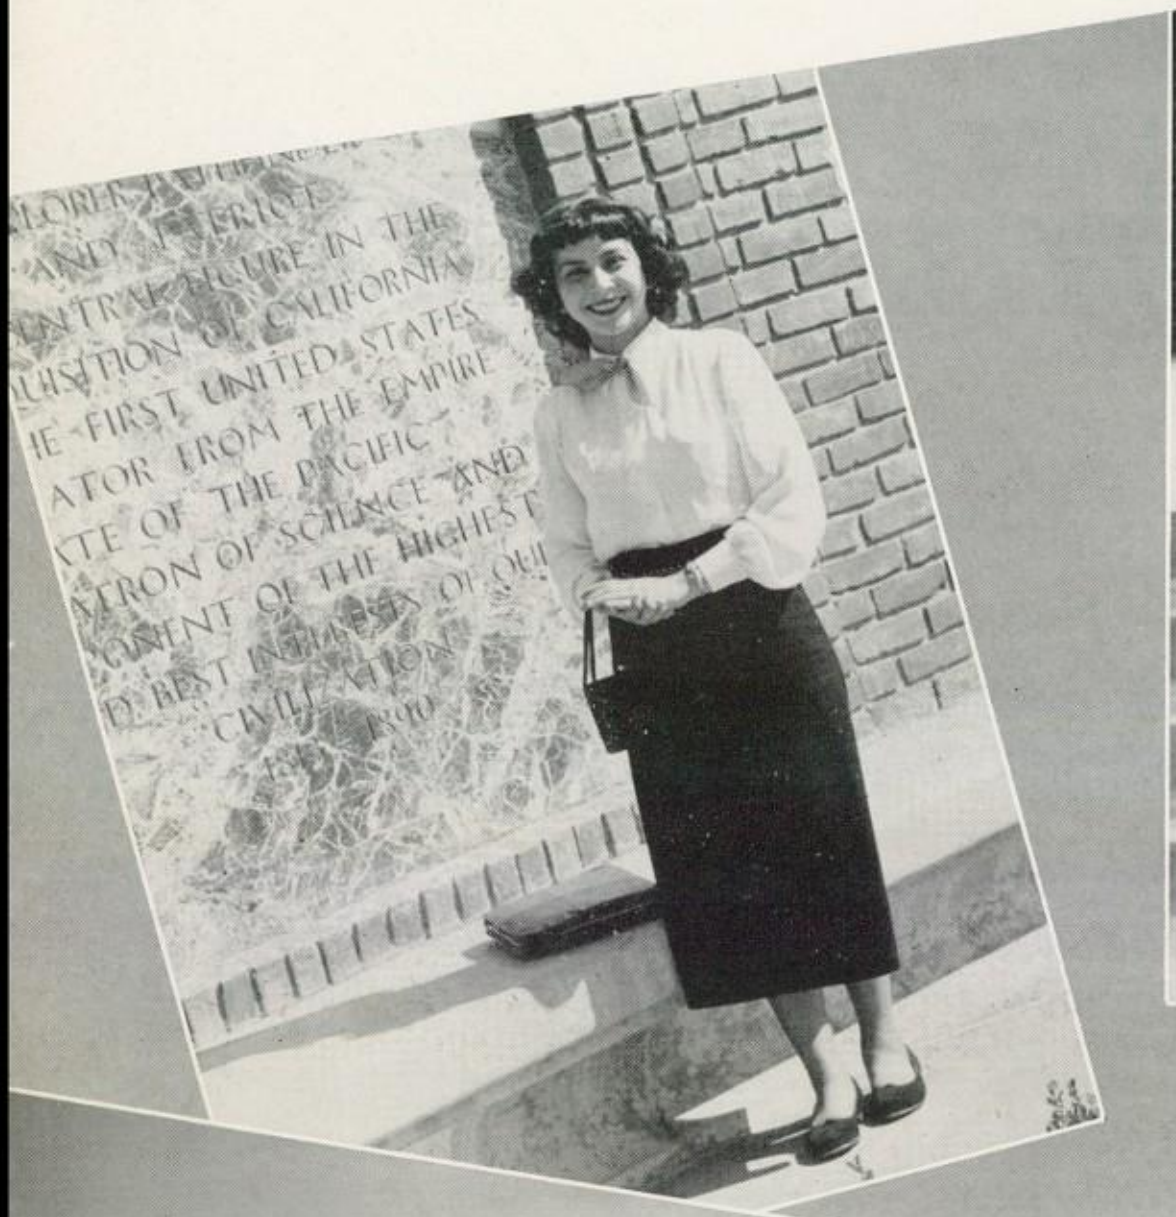


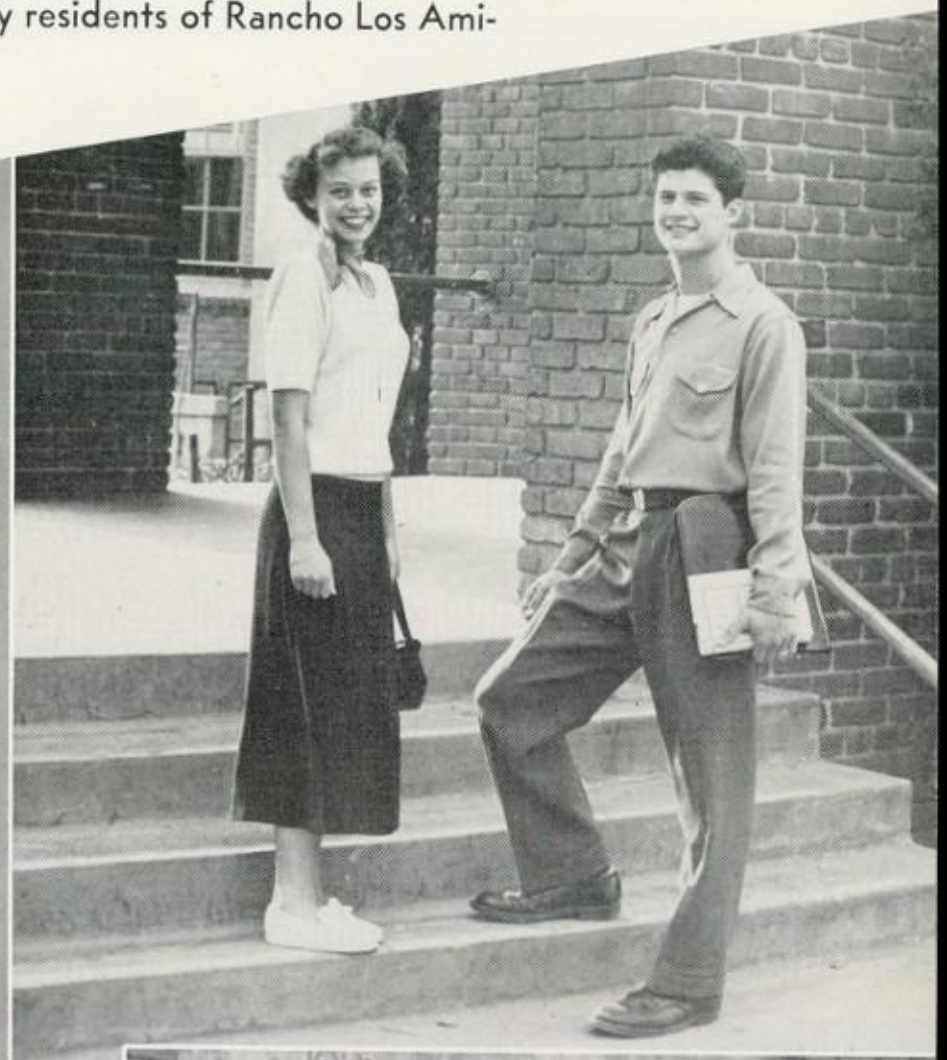
...Rehearsal

Snooping behind classroom doors again, we found. . .Mrs. Phelan and a clothing class. . .Mrs. Gillman's advanced German Club. . .Mr. Goerz and his ardent drafting group. . .A typical scene in driver's education. . .a commercial class under Mr. Miller's supervision.

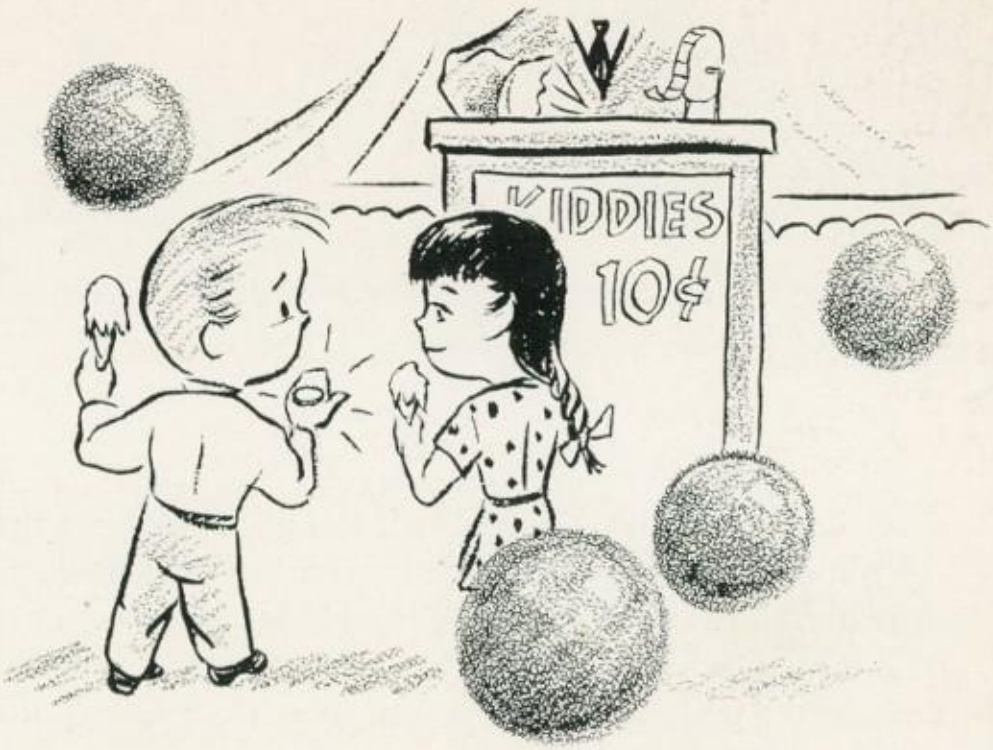
League Lights

Comprised of the entire feminine contingent at Fremont, Girls' League has long been bolstering student morale by naming the Girls and Boys of the Month, chosen on the basis of appearance and appropriate attire for school doings. Girls' League also sponsors the annual Afghan Knit, the products thereof going to warm the elderly residents of Rancho Los Amigos here in Los Angeles . . .

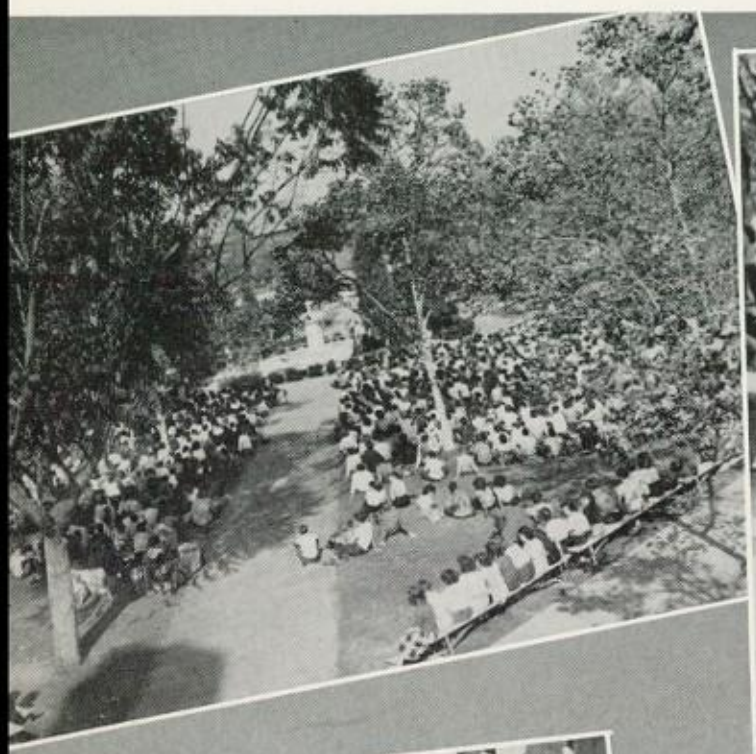


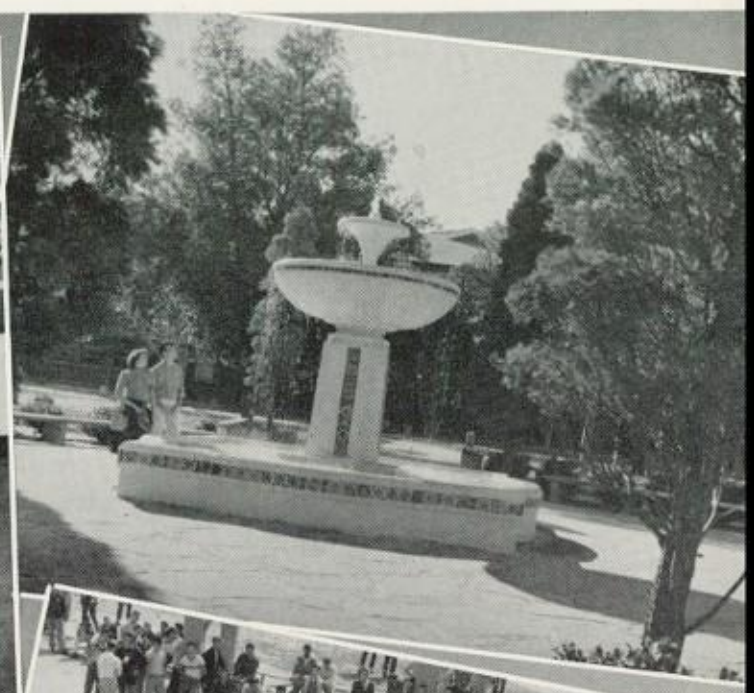


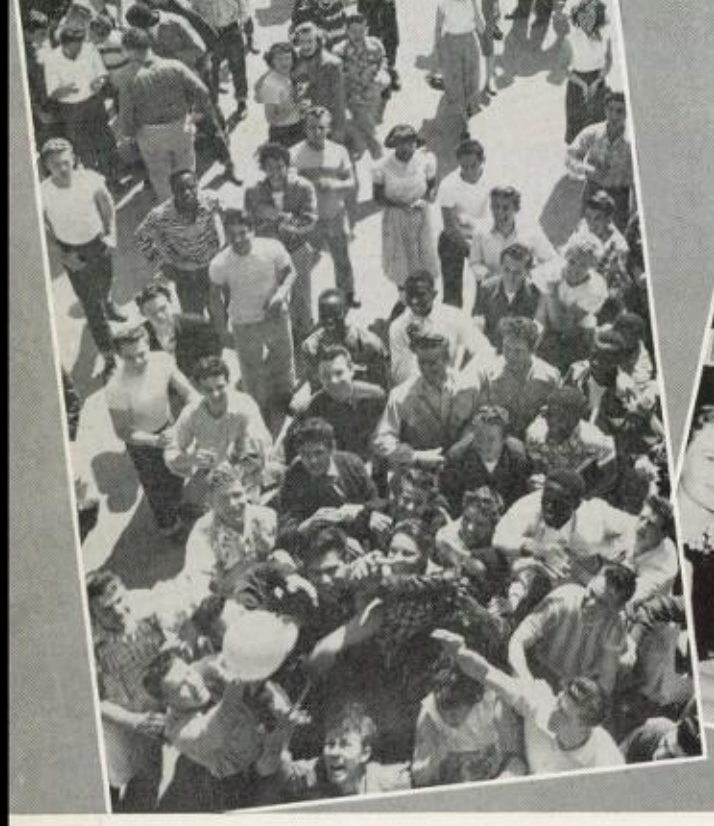
. . . Boys' League, on the other hand, garners all Fremont fellows (wouldn't you know?) into its membership, and sponsors the popular wrestling matches, and the horse-shoe pitching and handball tournaments. On these two pages we have pictured for you some of the League activities, Girls and Boys of the Month, meetings, and—in the lower right-hand corner of this page—some of the lay members at ease!



Council Capers







AT LAST! the fountain runs! Left to right above, see the student body assembled for the momentous occasion, Student Body president Bob Lopez turning the all important wheel, and Johnnie and Janie Fremont gazing in awe as the clear crystal stream comes gurgling and bubbling from the famous fount!

Student Council, as Fremont's governing body, initiates many gay going-ons. Here is the balloon drop (one balloon contained a free Fremontian subscription, remember?), the Council in session, and a noon publicity stunt.

Hall Pass, Please?

Crime doesn't pay! You know the truth of this if you've ever tried to sneak through the halls sans official pass! Under the patient guidance of Mrs. Armstrong (whose red hair belies her philosophical attitude!), Student Government patrols halls and grounds, and NEVER (well—almost never) falls asleep at the switch!

Student Government Officers, Winter

The Merry Throng

Tax your memory:

Big flu epidemic, and long lines waiting to get Health Office O.K. for readmission . . . Health Office again — this time taking temperatures . . . Crowded stair landing at going home time . . . Contemplating the Fremont trademark . . . Supplies for sale . . . Hash Line.

Glimpses at noon:

Ice cream, if you please . . . MMMMMMMM! . . . Peaceful portrait . . . Tastes better that way . . . She 'n he 'n the tree . . . Informality.

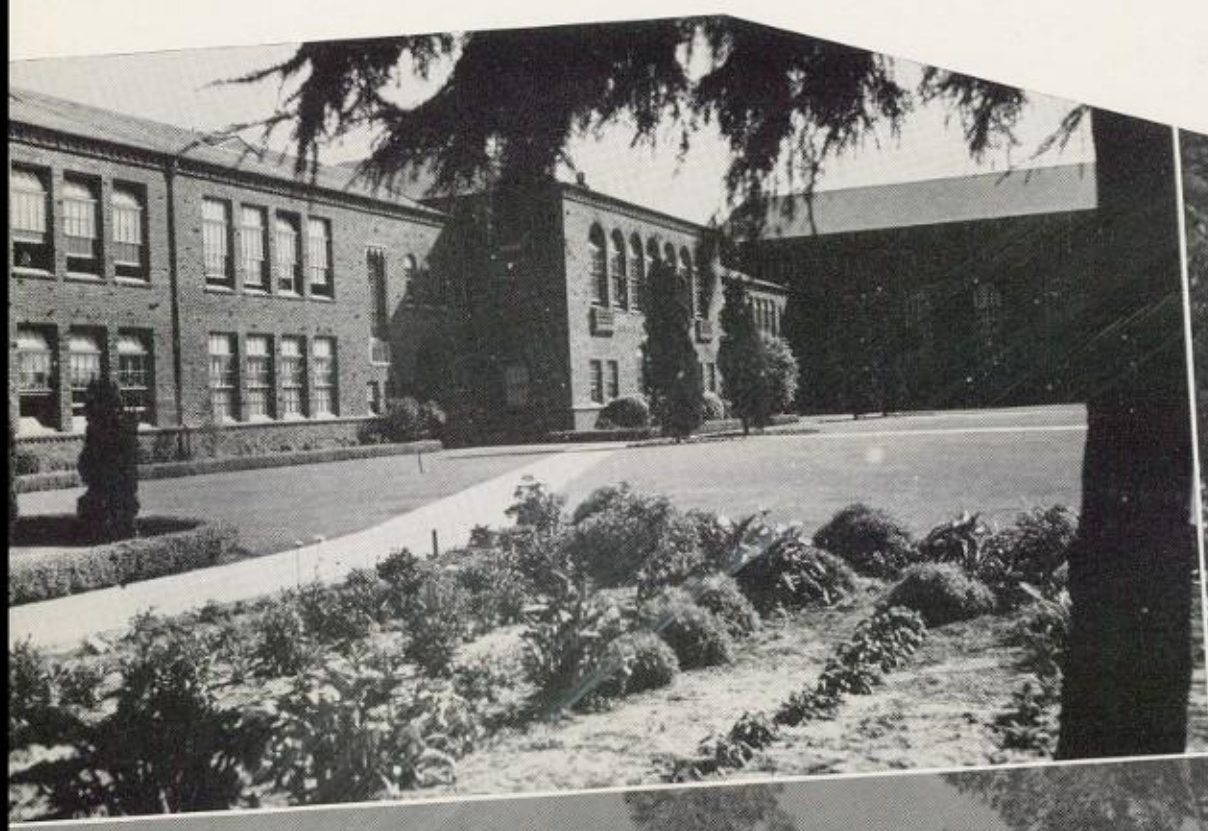
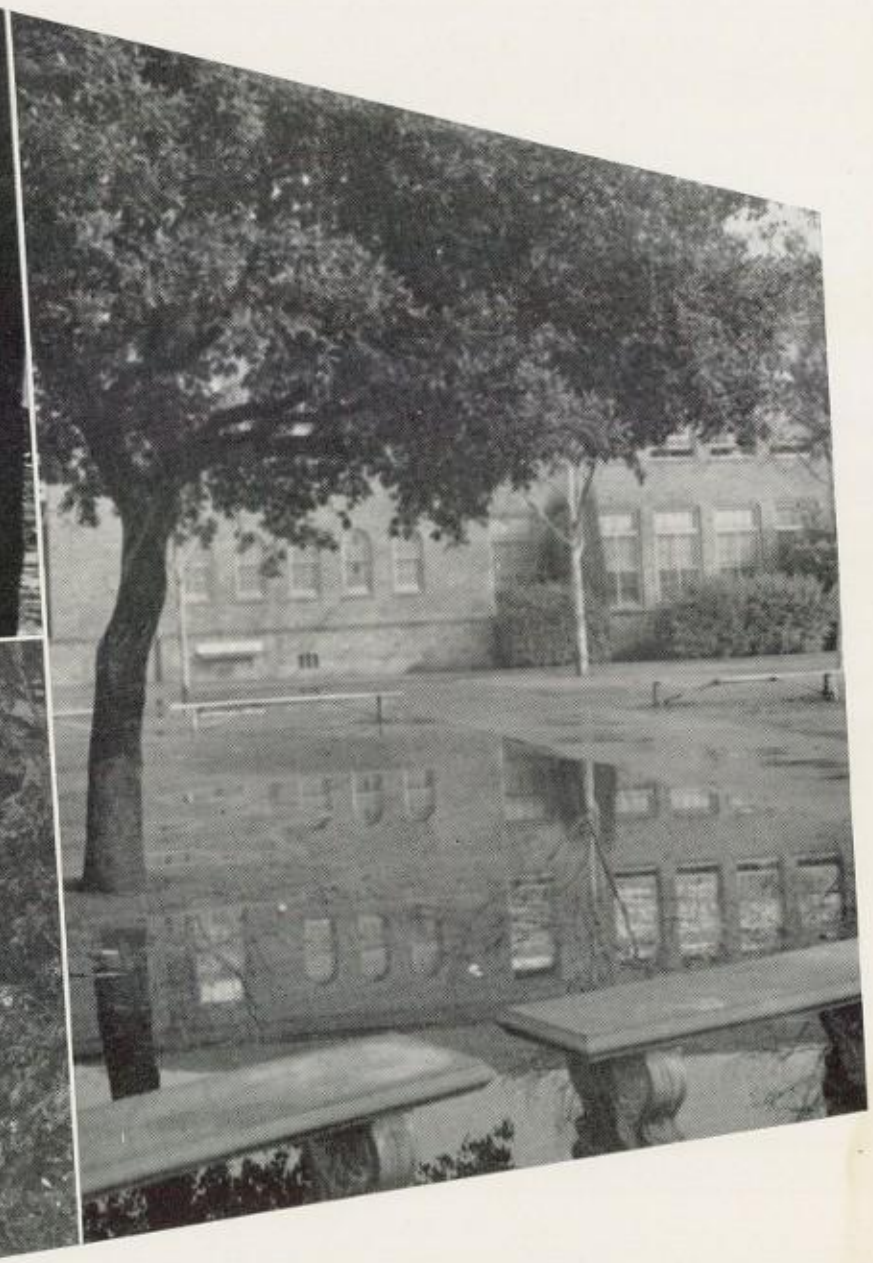
More special events:

Hi-jinks at Sports Night . . . Jitterbugging at the CBS Radio Studio, Varsity Club broadcast . . . Rotary Club Awards winners, all smiles . . . Scene from the Christmas pageant.

Circus Grounds

Fremont students feel justified in considering their alma mater the prettiest in the City System. A stroll around the spacious grounds is a pleasant experience in any weather. Mellow red brick buildings are set off to perfection by the evergreens and shrubs, while the deciduous trees in Spring bring added brightness and gaiety. Flower and rock gardens show off rare specimens to all comers, so that a visitor to Fremont enjoys a treat with every step as he approaches or leaves the campus.





It's always pleasant to reminisce about the scenes of the "good old days." For your rocking-chair years, we give you a few landscapes to remember . . .

Watch The Birdie!

Did you know that Fremont has one of the best photography departments in the city school system? Did you also know that many of our photography students become professional photographers after graduating from old John C.? If you need any proof of the above statements, just gaze at the pictures on these two pages. They are those that were selected as the prize winners in a contest held among all the Photography Department students. The judges who had the task of choosing from among so many fine pictures found it a difficult job indeed.

"I made it!" is the cry that rings out from the Girls' Gym around May of each year, for that's the time when Miss Mitchill and Mrs. Weide choose their (best-in-the-city!) Drill Team of 160 Drillettes out of 1000 girls, and it isn't an easy job! The girls are chosen on their scholastic records, on their ability and readiness to accept responsibilities, and on their appearance. The drills are made up for the girls, and are rehearsed and presented in a week's time. They drill at all football games including the ones at Wrigley Field, Coliseum, and Milk Bowl, and, to climax their season, they drill for their parents at the Annual Drill Team Review. The most complicated and authentic drill this season, which took a lot of time, effort and hard work, was the Armed Forces Drill, done in conjunction with Manual Arts High School's card section. The girls portrayed the wheel of Industry, the Anchor signifying the Navy, (which is shown in the accompanying pictures), the Marines Emblem, and the Army Insignia. Yes, Homecoming Day was truly a successful one at the Coliseum that day, ending with our Football team's victory over Manual, 19-0. Below are pictures from several Drill Team happenings, including First Aid practice after season, the Manual Arts drill, and the Red Cross drill at the Fremont - Garfield game.

JEFFERSON: Their morale considerably weakened by a preseason loss to Phoenix High, Fremont's Red Rovers found no solace in the fact that for the Dixie season opener they were to face one of the league's top-rated teams. Their opponents trampled onto the field with the fierce assurance of a seasoned bull about to pounce upon an inexperienced matador. As Card man Stroud cuddled the pigskin at the opening kickoff, the red cape was unfurled, and the fight had begun. Stroud wriggled his way from the end zone up to Fremont's nineteen yard line; then he and halfback Brown completed three mid-line plunges, good for a total of nineteen yards. The Demos held up Pathfinder progress for downs, until Brown managed a break-through for four yards' gain and another first down. Fremontian fans knew (continued on p. 61)

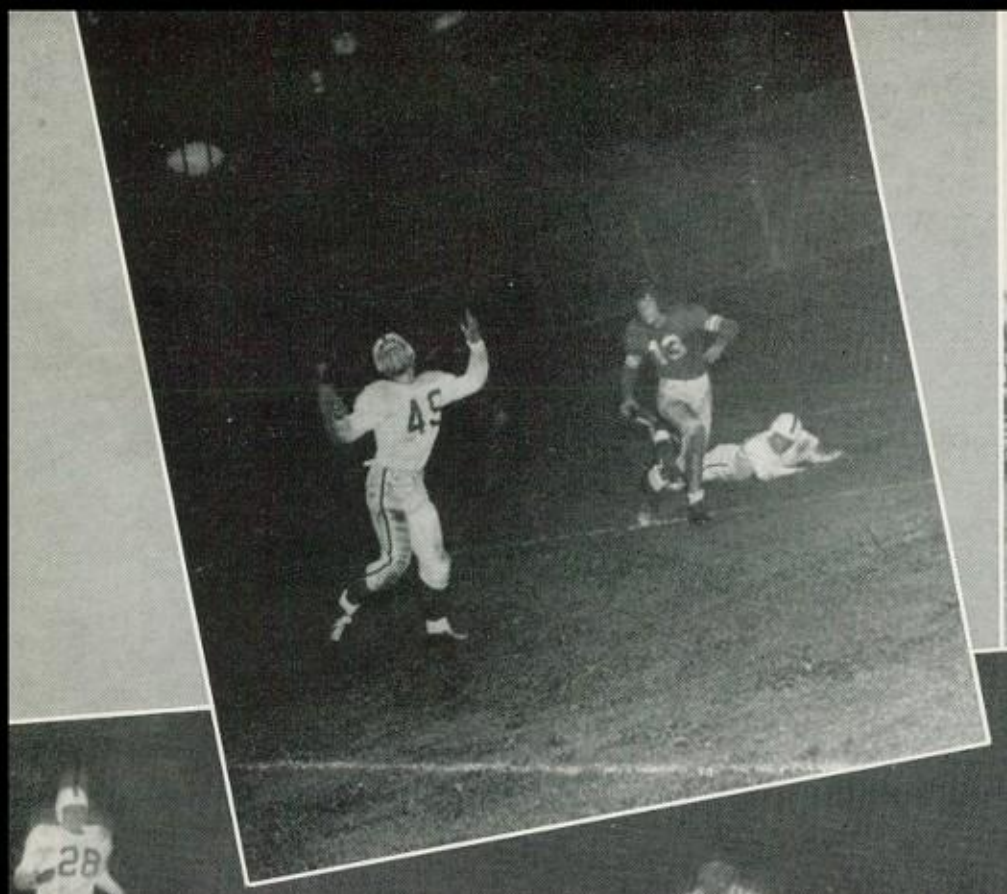
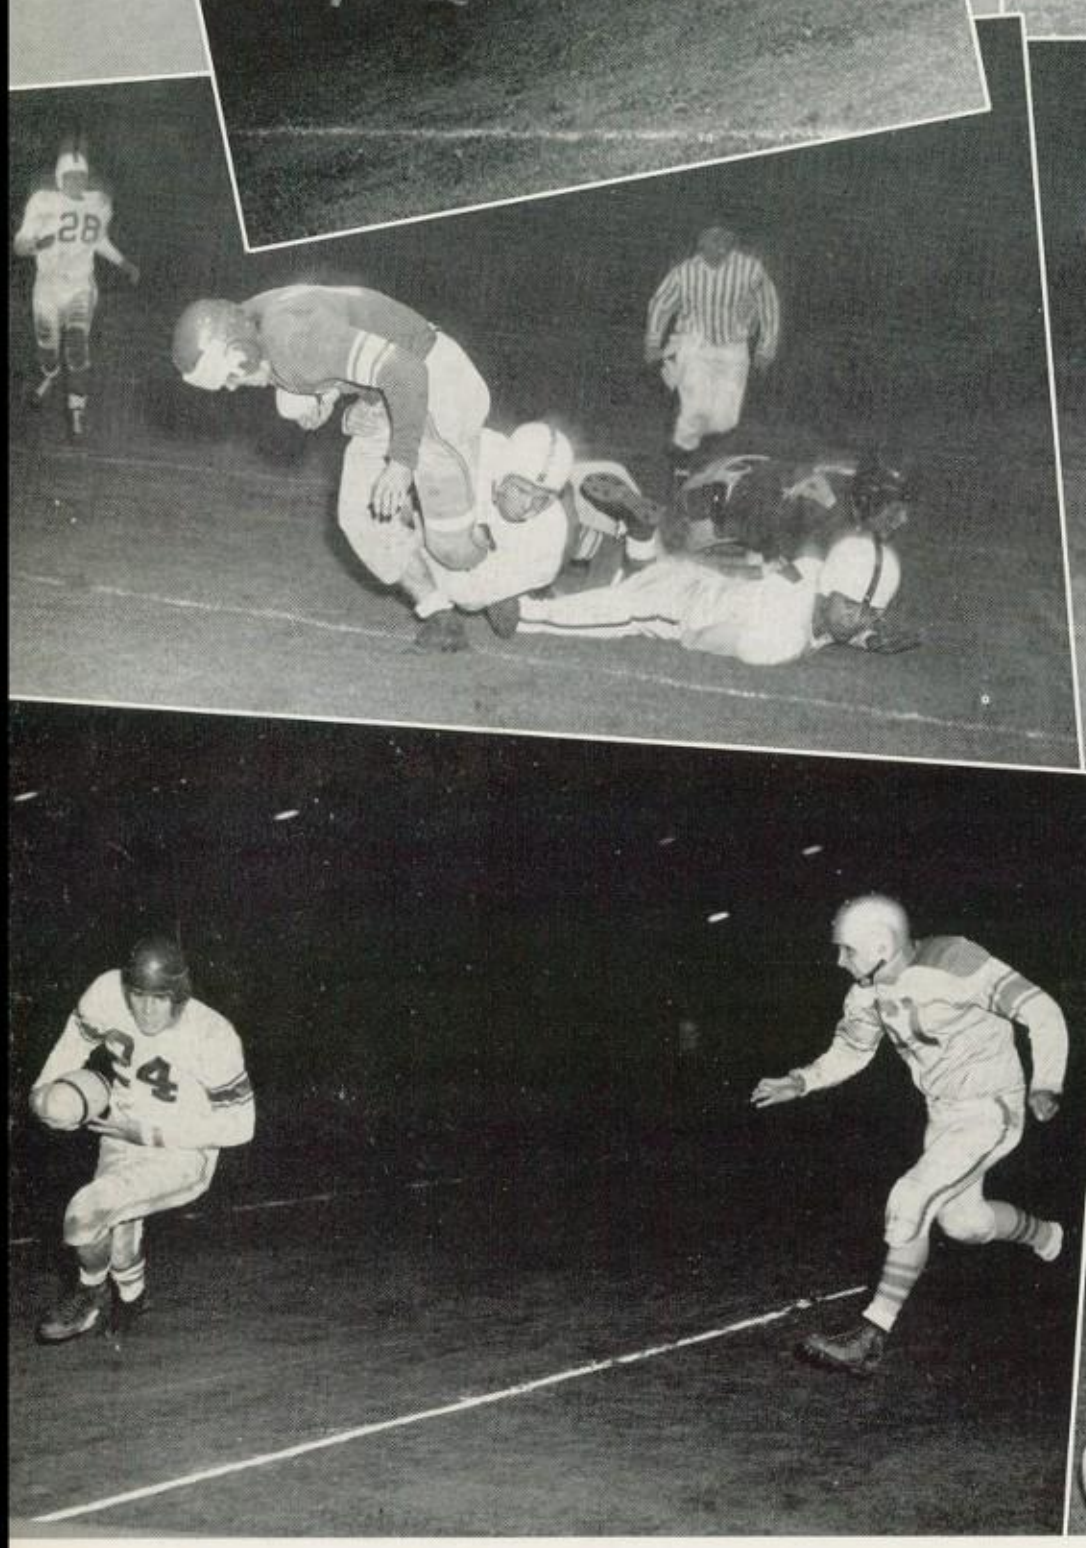
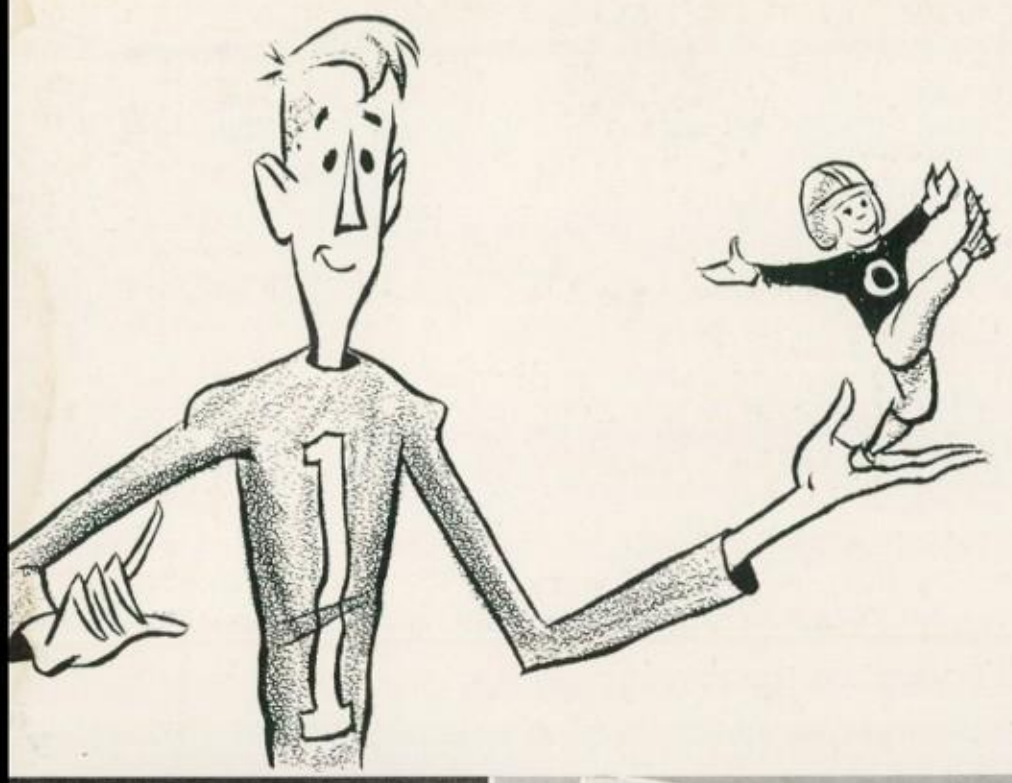
that a TD was in the making, when a Krueger-to-Miller pass and Stroud's middle plunge brought the red clad boys to the enemy's twenty-five marker. Krueger snapped a handoff to Brown, and six points were made. Harmon garnered the extra point. (continued on p. 62)





Fremont's lead was a short-lived one, for Jeff's precision playing soon netted them six points. Roy Contreras put the Brickpile boys at ease by blocking the extra point, but the period of relief was a short one, for the Greenshirts miraculously recovered the pigskin on their own kickoff. Aided by an awesome series of passes, pitchouts, and sustained drives, they soon found themselves with another seven points on the scoreboard, Jeff leading 13-7. The second half found their flashy proceedings successfully combated, however, the Fremont teammates fought on to a slim 14-13 win.

GARFIELD: In its initial night fight, Fremont met Garfield on the turf at Wrigley. Spirit ran high among Pathfinder fans as the team's ground work clicked for many a yard. All-City man Otie Stoud paced the team by tallying in (continued on p. 63)



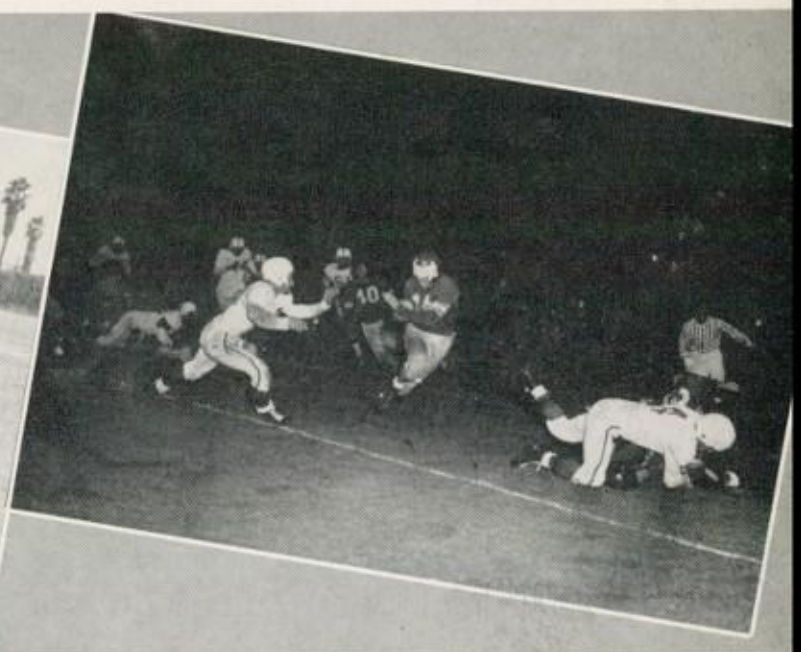
the first period, but his TD was called back because of a penalty.

Then the Cards inched their way forward, and Krueger made the game's first touchdown. The conversion was incomplete.

In the second period, Fremont went all out. Having fought their way to the enemy twelve-yard stripe, the Cards made another tally when QB Krueger managed a touchdown pass to Ronnie Miller. Harmon's conversion made it 13-0 in favor of Fremont.

The Bulldog team rallied in the third period, but Garfield was held down for a 13-7 loss.

ROOSEVELT: In a bout overflowing with score points, the Fremont Scouts romped over Roosevelt's timid Teddies for a 34-0 win. Off to a bad start, Fremont lost the



ball in a fumble at the enemy twenty. The Roughriders were held deep in their own territory after the fumble and had to punt. Fremont returned the ball to the twenty. Doug Bradley flipped a pass to Joe Link, who went over for a tally. Stroud teedeed in the second quarter of the game, and the count stood at 14-0 at half-time.

A forty-yard aerial from Brand to Draper brought Fremont to Roosevelt's three to begin the third period. Stroud scored.

In the final stanza, the ball came to rest in the arms of

FHS man Petrie, who carried a handoff 39 yards to glory ground. Later, sub-man Hill snatched a Teddy-pitched pass and galloped forty yards to earn the final six.

WASHINGTON: Traditional rivals of Fremont, Washington, through a series of fumbles and intercepted passes, succumbed to the brilliant playing of Bradley, Draper, Link, and Silva, and wept as the final scoreboard showed Fremont the victor to the tune of 21-0.

MANUAL ARTS: Supposedly the number one contender for the Southern League title, the Toilers were no match for Fremont's brand of football. With hardly a mishap, the Pathfinders progressed to the Artisans' one yardline, and Bradley scored, making it 12-0 at the half. The third quarter was scoreless, but in the fourth, Maltby, Brown, Stroud, and Salcido drove to the Manual eight. Dick Hill carried the ball over, and Harmon punted to make the final count 19-0.

HUNTINGTON PARK: In one of the easiest wins of the season, Fremont's turf kings trampled HP's ailing pigskin squad. Everybody on the bench got into the act, resulting in a tremendous 43-0 win over the Spartan eleven.

MILK BOWL: Fremont played Dorsey, and, though managing only one teedee, kept the Dons from scoring, aiding the victory of the South, 43-26. As usual, Fremont's Drill Team stole the show!

SAN PEDRO: Making a comeback after the Pirates had made the first tally, Link and Silva set up Stroud's touchdown. A Bradley-to-Miller pass brought the score to 13-6, and though the Bay city boys made two more goals, Fremont (thanks to Huffman, Link, and Harmon) registered another win, 29-19.

CANOGA PARK: Boasting a rigid line and an even stronger backfield, the Canoga Park finalists pitted their skill against Fremont's.

The Cardinal crew stalled until the end of the half; then Maltby snagged an enemy aerial on his own 26. Bradley and Link, a stellar duo, brought the ball to the Woodsmen's 14. At the end of the half, however, C.P. led, 6-0.

Art Maltby paced the team early in the second half by ramming his way over the Hunters' score line. Seconds later, Toombs stepped in to intercept Ward's toss, and a desperate C.P. tackle threw Toombs across into the end zone for another six points. There followed a succession of plays by Maltby, Hill, Draper, and Miller, the Pathfinders rolling up to the Canoga two. A penalty recalled the team to the seven. From there, Hill snapped a pass to Ronnie Miller for the game's final score of 20-6, and the third consecutive CITY FOOTBALL CHAMPIONSHIP!

LITTLE PACKAGES!

Fremont's midget pigskinners had a better than average year in 1950, winding up in third place behind Manual Arts and Jefferson, who tied for the league lead.

The Tannermen started by chopping the Los Angeles Romans to the tune of 19-6. Quarterback Louie Guerrero passed out in the flat to end Stan Garris, who lateraled back to La Chapelle for the first score. Art Anderson swept the end for 8 yards and another tally. La Chapelle rammed down the middle for the last six-pointer, going 20 yards.

Glendale-Hoover handed the mighty midgets their first loss by a score of 13-6. Guerrero jump-passed to Garris for Fremont's only score, the play good for sixty yards.

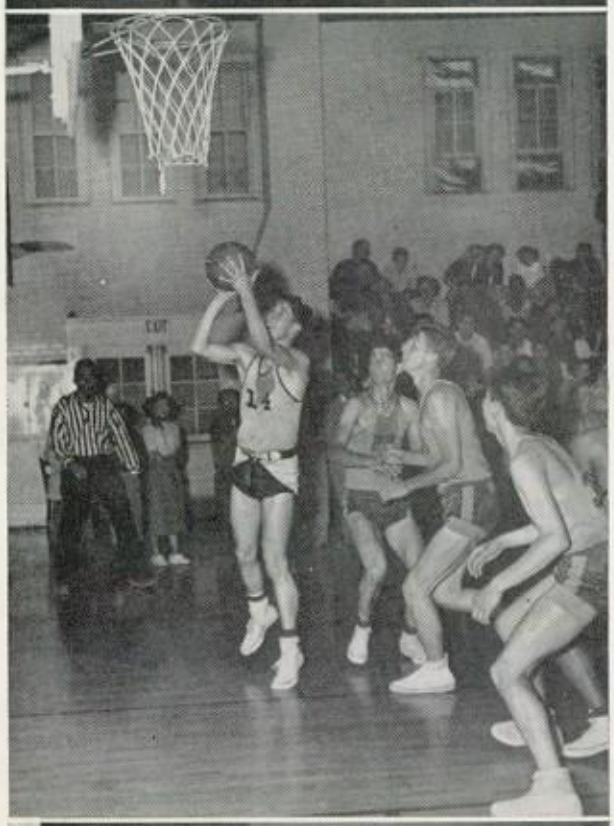
The roof fell in on the embattled Tannerites in the first league meet with Jefferson. Outdistanced by the speedier Demos, Fremont went down to defeat 25-0.

Bouncing back after that beating, Tanner's team stopped a good Garfield group of midgets by a score of 13-6. With the Bullpups leading, Fremont drove to the three, where Chuck Simmerman plunged through the middle to tie the contest. Art Anderson scored the winning touchdown on a forty yard gallop.

Roosevelt fell next, 26-0. Anderson rambled 21 yards for the first score; Lucero slanted off tackle to push the margin to 13 points; Anderson again shot over from the five; and Guerrero unlimbered his arm to his favorite target, Garris, for the Pathfinder touchdowns, in that order.

Washington gained a 6-0 decision over the Pathfinders in a late autumn heat wave. Fumbles and the high mercury caused the defeat.

Ending the season in a blaze of glory, the Tannerites trounced a hitherto undefeated, untied, and unscored upon Manual Arts eleven by a score of 9-0. Bill Tubbs blocked a kick for a safety, and Art Anderson tore around end to score for the Cards.



Hoopsters

Varsity Hoop Season

For our varsity basketball gamesters, this year's season was one of the worst in recent hoop history. Losing to all the league teams excepting Garfield, the Scout senior casaba-men nevertheless boasted a few outstanding players. Constantly among the high pointers were Payton, Beckstrom, Simons, and Johnson. Due largely to this stellar quartet's efforts, the FHS squad gave its opposition some nervous moments.

Probably the most exciting tiff of the season, the fracas with Washington spotlighted the high caliber of Fremont's players. In the game's last seconds, Trailblazer Simons eluded his defense and scored, giving the Cards a scarce one-point margin. Because of the ensuing scramble for the ball, the officials called for a jump. General man Ross grabbed the sphere and wangled his way down to score, being fouled along the way. Due to the foul, the blue clad tiffers were given possession of the ball—possession which they retained for the duel's few remaining seconds. Though given a rough time all the way, the Cherry Tree boys managed a narrow 33 to 34 win.

Bees Buzz to Championship

Fremont's high-flying Bee basketball squad, tutored supremely by Coach Jim Mercer, had an extremely successful season in 1950. In going undefeated and copping the City Championship trophy, the Mercerboys played some of the toughest teams in the metropolis.

The Pathfinders closed the regular season after triumphing over Roosevelt, Manual Arts, Jefferson, Washington, and Garfield—two encounters each.

In the championship tournament the Scouts shined while knocking off Marshall, Lincoln, Jefferson, and Van Nuys, and did not even get a chance to face the Hamilton Yankees, pre-game favorites, who were eliminated by losing their first tussle.

The Cardinal and Grey met the Marshall Barristers in the first round of play, and proceeded to barrage the hoop and come out on top by 29 digits.

Lincoln was the next step for the romping Road Detectors, and they had a much tougher time making the Railsplitters bite the dust. After a very exciting battle Fremont emerged victorious by a score of 58-52, and earned a chance for the semi-finals and the Jefferson Democrats.

In meeting the Demos, whom they had twice beaten previously in the regular season, the Cards knew they were going to have a hard fight on their hands. Fremont won by twelve counters.

Van Nuys was next, and the Pathfinders played a fine, hard-fought game, and were rewarded with the championship trophy and individual medals for each player.

Bob Hawke, captain, received the beautiful trophy, and Ralph Kellum and Bob Lazarus won All-Tournament Player medals.

B-Bombers!

Match This!

Overcoming the plight of having only one returning letterman, the Fremont tennis team handily thrashed four Southern League teams and lost a very close match to Washington to end up in second place this season.

Chuck Simmerman was the only player returning to the wars for the pallet pushers. Mr. Mercer, with Allen Wong as assistant coach, however, took some non-lettermen on last year's squad plus tenth grader George Collins and molded a winning aggregation.

Ray Milke, Jerry Noel, Herman Sillas, Bill Newquist, Bruce Klausman, Jim Lopez, and Wing Wong made up the hard-fighting varsity netmen for the year. After losing early season matches to Compton and Los Angeles, the pathfinders rounded into top shape and mangled all competition. Later in practice matches, trampled over H. P. and South Gate, and gave Marshall a good battle.

The Mercermen were ready to go as the League season was about to begin, and they got off to a rousing start by trampling Jefferson 6 to 1. Next came Garfield, they went down to defeat as the game ended with the score 5 to 2. The Roosevelt Roughriders tried to challenge Fremont's tennis supremacy but were repelled 6 to 1.

The Washington Generals put a fly in the ointment as they squeaked out a 4 to 3 decision over the Mercermen for their only league loss. Being a little perturbed at losing by one point to the Generals, the Scouts took it out on the Manual Arts Artisans, dropping them 6 to 11 to end a successful season.

Runaways

Varsity Track Season

A summary of this year's cinder record stacks up like this:

JEFFERSON: In its first meet, with top-notch Jefferson, Fremont lost 39 1/3 to 64 2/3. However, the Scouts did a few spectacular things in this meet that would have been termed impossible by pre-game forcasters. Biggest shock to those mighty Democrats was letting Bob Owens and Tom Hunter take first and second place in the 220. Owens' winning time was 22:8.

GARFIELD: Despite the loss to Jefferson, Edelson's runaways were in ship-shape when it came to tangling with the Garfield Bulldogs. Fremont took top honors in everything except a few of the distance runs.

Louis Nardone, Scouts' quarter mile runner, took it easily in 53:2. Tom Hunter and Bob Owens, ace track stars, took quite a bit of the glory from the Bulldogs, the final score being in Fremont's favor, 70 1/2 to 33 1/4.

ROOSEVELT: Here, Roosevelt drew the lucky number and the Edelsonites dropped their second league game to the Teddies. The Roughriders took events dealing mostly with long distance runs, but Fremont showed up keenly in the dashes. Hunter and Owens showed their track abilities again by taking the century and furlong dashes. Tom took his usual specialties, the 220 and 100 with time to spare. Louis Nardone, quarter mile champion, ran away with the 440 in 53.9. Bobby Smith tied Roughrider Johnny Vegas for third place in the pole vault event. The finale found the Teddies well out in front with the score 60 to 44.

WASHINGTON: It was a sad day for the Generals when they met Edelson's lickety-splitters on the Fremont turf. We just couldn't (and didn't) let Washington run home with any glory! In this event a few other names took their place on Fremont's honor roll. Neil Collins boosted Fremont when he went into the air 6ft. 3in. to take second place in the high jump event. Otie Stroud highlighted his shot put career by heaving the disc a distance of 51 feet 4

inches, thus taking the event. Dave Blacklock leaped 20 ft. 7 in. to victory in the broad jump. The final tally found the brickpile boys way out in front. Score: 67 to 37.

MANUAL ARTS: Fremont met the Manual Arts Toilers for the last Southern League tilt of the season. Their hopes ran high for most of the game because the score was very close. However, in the final event the Artisans burned up the track to take the mile relay in 3:04.6 and won the meet 57 to 47.

Some Scout highlighters in this game were: Cleveland Duncan, who took the high hurdles race away from Manual's star Don Gillespie in 16 flat; Jerry Cosgrove, who cut himself a piece of glory when he took the half mile, his time being 2:08.8. Tom Hunter, who took the all-important century and furlong dashes. He ran the 100 in 10:2, and the 220 in 22:3.

Bee Season:

All brickpile inmates can be justly proud of their Mighty Midget Tracksters this year. Doing a trifle better than their Senior brothers (the Varsity Gang) the San Pedro Bee Boys brought home victory in four out of their five Southern League encounters. Catering only to the Jefferson Democrats, the scores were, as you see below, decisively in Fremont's favor. In the All City Finals, Fremont again showed others what good little boys are made of by taking a neat fourth place.

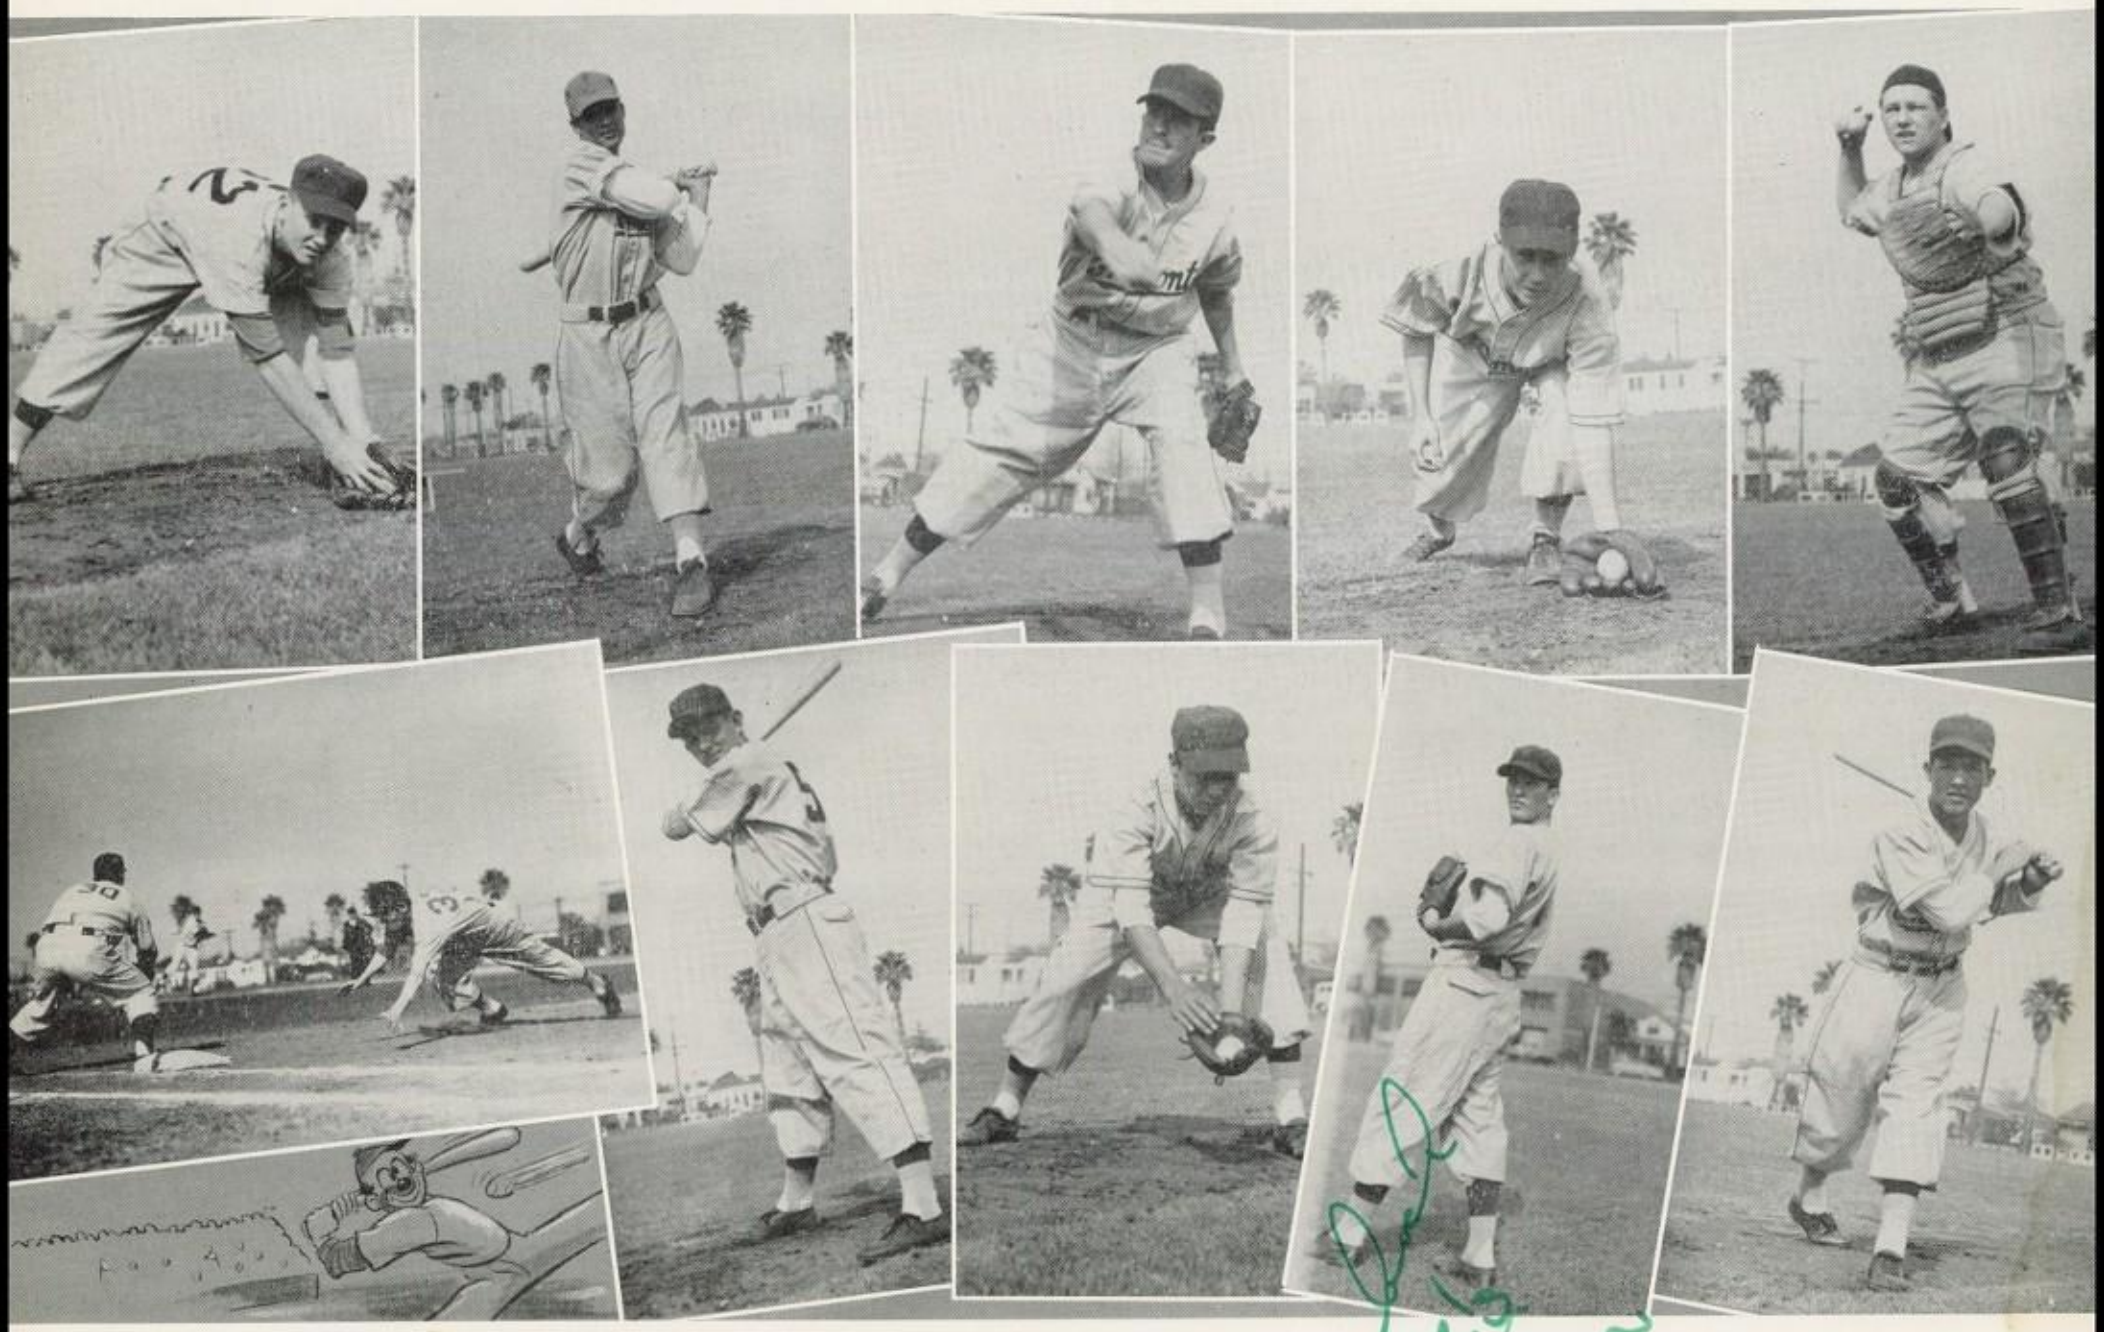
Diamond-Shines

Varsity Baseball Season:

Baseballs were flying as Fremont's varsity horsehide crew took the diamond in preparation for the defense of their Southern League title, which they shared with Manual Art's toilers last year. Rainstorms frustrated the Road Detector's practice game with Lincoln. Coach Haserot was sorely missed when he left for Canoga Park High School; however, when the season opened, he was headed back for home, ready to lead the diamond boys on.

Washington was successful this year, succeeding Fremont in all it's games. The first game, aided by costly errors and fluke hits, aimed the score at 7-4. Three hits and an error in the sixth inning gave the Generals two more, which gave them a safe margin to work with. The Pathfinders started back on a winning streak, when in the Hamilton game, Louis Guerrero, shortstop, drove in three runs with a single winning triple to lead Fremont's horsehiders to a 4-3 victory gain.

Don Watson blanked seventeen Roughriders in the Roosevelt game, pushing two Road Detectors across the plate to squeeze in front of the Teddies with the score 6-5. In the second tilt with the Riders, Watson starred in the losing battle. After throwing a no-hit, no-run, game for two innings, Hearn gave up two runs on a hit and an error. To end the game the Teddies' outfielder caught the sphere, fixing the tally at 4-1.



In the beginning of the season the diamond scouts didn't show so well; however, they made the Dorsey tournament and won the first game with Gardena 5-0. Much to their dismay, they lost their second game, ending the Dorsey Tournament, and concluding our season.

Gym Season

Although dropping their first practice meet, a dual one, to Lincoln, Scout musclemen bounced back to complete their first successful season since the City Championship year of 1948.

Venice, Fairfax, San Pedro, and Lincoln (in a return meet) all felt the sting of the Trailblazers before the practice season ended. Ray Sanders shattered the school record for the rope in a sizzling 4.8 at the Lincoln meet.

The Southern League season got under way with Scout aces lowering the boom on Jefferson, 81½ to 38½. Then, with the flu bug sidelining such Card point makers as Danny Cardenas, Fred Leyva, and Art Alvarado, they dropped their first home league meet of the season to Garfield, 62-58. Bad luck ran in pairs when, after leading until the last event, the Red Rovers lost a heartbreaker to Roosevelt, defending city champions, by one point. The boys especially hated to lose this one, since it was Coach Ed Wise's last meet before being recalled to active duty by the Navy. Card bicep boys wound up the season for their new coach, Frank Nobbe, by chopping Washington's Cherry Tree, 70½-49½, and trampling Manual's Toilers, 63-57.

Spiked by such standouts as Ray Sanders, Hector Rivera, Danny Cardenas, Art Alvarado, Pete Veneris, Bob Dalhover, Rudy Mantecon, and Duane Goodwin, the Trailblazers nosed out Roosevelt by three-and-one-half points for the Southern League Finals championship, although they finished third behind Roosevelt and Manual Arts who were deadlocked for first in the dual-meet standings.

Top row: Bob Hefner, Ted Brand
Bottom row: Bob Clarkson, Pete Veneris

Other top point-getters were Willie Johnson, Theron Aubry, Bob Houston, Joe Csonka, Chuck Graham, Fred Leyva, Ted Brand, Tony Barberio, Ed Nusinow, Russell Allee, and Lockart.

On the high bar, Bob Dalhover enjoyed an undefeated season. Rudy Mantecon, outstanding ringman, lost but once in that event and then finished second. Ray Sanders and Hector Rivera tied for first on the rope four times. Pete Veneris was the only Pathfinder to finish first on the parallels.

In the City Championship meet, the Cards upset favored Roosevelt for their first City Title since 1948.

Hector Rivera blazed the trail with a terrific 4.6 on the rope, good enough for second place honors. Ray Sanders and Danny Cardenas followed with a third and fifth. "Reliable Robert" Dalhover took third on the high bar and surprised everyone by coming in second on the long horse.

Pete Veneris annexed a fourth spot on the side horse and Rudy Mantecon and Duane Goodwin clinched the Championship Title for the San Pedro Street boys with a second on the rings and a fourth in tumbling.

Hip Hooray!

To Fremont's sports participants and fans this season has really been an eventful one. It has not only been a tribute to the many boys who have shown their outstanding abilities in various phases of the sports world, but it should also be considered a tribute to the many faithful fans who have given the boys the courage to participate in the clean sportsmanlike manner for which Fremont is so well known.

Above are pictured our all important cheerleaders. They are responsible for the orderly cheering sections that Fremont is very proud of. They are from left to right: Robert Hefner, Richard Bosler, Jack Goldner, Don Bruton, and Richard Rosenweig.

Below the cheerleaders we have a shot taken at the last annual Letterman Club banquet.

Last Act

All agree that the Celestians were indeed a scholarly group. Here we find the Celestian C.S.F. members posing nicely with books in hand. To acquire an honor such as this meant burning the mid-night oil more than once. The Celestian class also possessed quite a group of potential leaders. The happy six in the picture below were chosen by the vote of classmates and faculty members as being the most outstanding leaders that the Celestian class turned out.
